Sanatçı Candan Arıcı

Candan Arıcı was born in 1980 Stuttgart. She studied at Mimar Sinan Fine Arts University at the Department of Sculpture. Since 2012 she has been continuing her work in her workshop in Istanbul.

In her works, she creates her compositions using the dramatic structure of the figure. In terms of material selection, she chooses bronze and glass to help depict her compositions, and uses the metaphorical expressions of the geography in which she lives while questioning the expressions of her inner emotions.
